The North Carolina Homeless Education Program (NCHEP) at The SERVE Center at UNCG and its Role in the McKinney-Vento Subgrant Process

In January 2009, the North Carolina Department of Public Instruction (NCDPI) contracted with the SERVE Center at the University of North Carolina-Greensboro (UNCG) to implement the North Carolina Homeless Education Program (NCHEP).

The SERVE Center carries out all state-level programmatic responsibilities related to the implementation of the McKinney-Vento Act, including conducting the competition to award subgrants to local education agencies. The subgrant process will be carried out in accordance with the North Carolina State Board of Education Policy for competitive and discretionary grants.

All correspondence related to the subgrant application process will be directed to Lisa Phillips, State Coordinator, at The SERVE Center at lphillip@serve.org or 336-315-7491. All questions and responses will be added weekly to an FAQ document that will be posted on the NCHEP website at https://hepnc.uncg.edu/

NCDPI will handle all fiscal aspects of the subgrant process, and upon approval LEAs will complete budgetary submissions in BAAS.

The McKinney-Vento Act

What is the purpose of the McKinney-Vento Act?

The McKinney-Vento Act guarantees a free, appropriate public education for all homeless children and youth by removing barriers to their enrollment and attendance in school and supporting their educational success.

What are the goals of the Act?

- Provide immediate enrollment of homeless children who are not already enrolled. This includes reviewing and revising any laws, regulations, practices, or policies that may act as barriers to the enrollment, attendance, or success of homeless children and youth
- Provide school stability for students experiencing homelessness by allowing them to remain in their school of origin when this is in the child’s or youth’s best interest and providing transportation to and from the student’s school of origin at the parent’s/guardian’s or unaccompanied youth’s request
- Ensure that homeless students are provided services in such a way that they are not isolated or stigmatized
- Promote school success and completion for homeless students
- Support collaboration between school districts and community agencies serving homeless students

McKinney-Vento Subgrants

What is the purpose of McKinney-Vento subgrants?

The purpose of McKinney-Vento subgrants is to facilitate the enrollment, attendance, and success in school of homeless children and youth.

Who is eligible to apply for a subgrant?

All North Carolina local educational agencies (LEAs) are eligible to apply. LEAs may subcontract with other agencies; however, the local school system assumes responsibility for setting program goals and monitoring program accomplishments. The LEA will serve in the capacity of fiscal agent.
What is the funding?

- **Source:** U.S. Department of Education, through the McKinney-Vento Homeless Education Assistance Improvements Act of 2001 (Title X, Part C of the No Child Left Behind Act, P.L. 107-110) as amended by the Every Student Succeeds Act of 2015. Subgrant funding is contingent upon the annual state allocation.

- **Size of Grants:** Based on the LEAs’ reported count of homeless students in the 2018 -2019SY in PowerSchool, grants are expected to be in the following ranges:
  - Tier 1: 50-150 homeless students – Grant range up to $15,000 for each year of the grant
  - Tier 2: 151-400 homeless students – Grant range up to 30,000 for each year of the grant
  - Tier 3: 401-650 homeless students – Grant range up to 45,000 for each year of the grant
  - Tier 4: 651-900 homeless students – Grant range up to $60,000 for each year of the grant
  - Tier 5: More than 900 homeless students – Grant range up to $75,000 for each year of the grant

LEAs with less than 50 reported homeless students may submit an application with a consortium of districts whose number of identified students is at least 50. (See p. 6.)

- **Grant Period:** Each project is awarded funds for a period of time beginning July 1 and ending September 30 of the following fiscal year. Funds for Year 2 and 3 will be authorized based upon submission of a satisfactory annual program report and budget report for the previous year. Start date may vary according to the date of receipt of funds from the U.S. Department of Education.

What are the funding guidelines?

Services provided with McKinney-Vento Act funds must not replace the regular academic program and must be designed to expand upon or improve services provided to homeless students as part of the school's regular academic program, including compliance with McKinney-Vento statutes (See Appendix C).

Subgrants are awarded based on the identified needs and on the quality of the application.

What are the provisions of the McKinney-Vento Act related to services for homeless children and youth provided through subgrants?

Services may be provided through programs on school grounds or at other facilities (e.g., shelters and nonprofit community social service centers). Where services are provided through programs on school grounds, such services also may be made available to children or youth who are determined by the LEA to be at risk of failing or dropping out of school, except that priority for such services shall be given to homeless children and homeless youth.

To the maximum extent practical, services shall be provided through programs and mechanisms that integrate children and youth experiencing homelessness with their housed peers. Activities undertaken must not isolate or stigmatize homeless children and youth. Services provided under this program are not intended to replace the regular academic program.

Collaboration with other local and state agencies that serve homeless children and youth is required.

What are authorized activities for subgrants in the McKinney-Vento Act?

LEAs must use McKinney-Vento subgrant funds to assist homeless children and youth with enrolling, attending, and succeeding in school. In particular, the funds may support the specific activities outlined in the law in Section 723.

**Authorized Activities for McKinney-Vento Subgrants (Section 723)**

These persons must have the authority to ensure that the LEA will fulfill all statutory and regulatory requirements for reporting, auditing, and monitoring.

- The program contact and authorized representative or superintendent must also sign the Debarment Certification (Attachment B).

- The program contact or authorized representative for each grant recipient will be required to submit an annual report by June 30 of each year of the project period. Applying as a Consortium

LEAs, including charter schools, that have identified less than 50 homeless students may submit an application as a consortium of LEAs whose total number of identified homeless students is greater than 50. The application must be submitted by an identified lead LEA that will serve as fiscal agent for the grant. A program contact at the lead LEA will oversee the implementation of the grant, arrange the disbursement of funds to participating LEAs, and submit required reports and documentation. Consortium applicants must submit Attachments H and I.
