

**Affirmation of Notification, Invitation & Consultation for Equitable Services
to Non-Profit Private Schools in North Carolina Under ESEA (reauthorized as ESSA in 2015)**

Out-of-district School:	Phone:
Email (optional):	Contact (optional):

Public School District (where the school is located):
District offering Title I-A services (different from the local district):

SECTION A: The private school official checks one box.

- A-1 ☐ The private school named above hereby affirms that
- it has been consulted by the district offering services (as named above) regarding equitable services for the upcoming academic year
 - the "Summary of Topics & Assurances for the Provision of Equitable Services to Private School Children Under ESEA" was provided to the Private School and discussed as a part of the consultation and
 - the selection made in SECTION B (below) are based on the consultation.

OR

- A-2 ☐ The private school named above hereby asserts that one or more of the three conditions listed above **have not been met**. Complaints or concerns may be filed with the Equitable Services Ombudsman at NCDPI (984-236-2797).

SECTION B: Only the private school may check a box in this section to "Accept" or "Decline" Title I-A services offered by the district.

☐ Accept Title I-A services

☐ Decline Title I-A services

SECTION C: The private school official must provide signature by hand, not electronically.

The private school hereby agrees to accept or decline services, as indicated in Section B above. Additionally, any decision to accept services is based on the understanding that the private school

- is a non-profit private school,
- will provide information requested by district officials to allow for timely calculation of proportionate share, and
- will engage in ongoing timely consultation to allow district officials, to implement and assess services that are equitable with respect to eligible private schools and students.

Name of private school official (print):

Hand signature (not electronic):

Date signed:

SECTION D: If the private school official did not complete Sections A, B & C, the district offering services must check this box.

- ☐ The district hereby affirms and has documented that the private school was notified of the availability of federally funded equitable services and was invited to consult, but the school:
- actively declined the invitation to consult
 - did not respond, despite two timely and direct invitations being documented by the district offering services
 - did not consult despite accepting the invitation or
 - declined to complete Sections A, B & C despite initially engaging in consultation with the district offering services.

SECTION E: The signature of the official from the district offering services is required in all cases.

Name of district official:

Hand signature (not electronic):

Date signed:

The district offering services must provide this form in its CCIP application for Consolidated Federal Funding.
Private schools participating in consultation should be given a copy of this completed and signed form.
